Funny how without the "cream" part, this doesn't seem appetizing at ALL.

Eat It Up: Just get dumped by your boyfriend? Mercer's Ice Cream has developed every girl's ultimate breakup cure: wine ice cream. No, not just wine-*flavored* ice cream. We're talking 21 and over, get you buzzed, straight up, five percent ALCOHOL IN YOUR ICE CREAM. Mercer's makes six juiced-up flavors, including Red Raspberry Chardonnay, Chocolate Cabernet and Cherry Merlot. The nearest store is in New York, so online and phone orders are probably your best bet for now.
